In Back, Almost As Though He Is Exiting Life.

Dear Mrs. Reisenauer:

I deeply regret that it is necessary to confirm the telegram of recent date informing you of the death of your son, Sergeant Victor Reisenauer, 26711333, Infantry, who died on 27 February 1945 on Leyte Island, Philippine Islands, as a result of wounds received in action.

I wish I could give you more information but reports of this nature prepared in active theaters of operations are brief and contain only essential facts. Recently provisions were made whereby there will be sent directly to the emergency addresses and the next of kin a letter containing further information about each person who dies overseas in the service of our country, and if this letter has not already been received, it may be expected soon.

The significance of his heroic service to his country will be preserved and commemorated by a grateful nation, and it is hoped that this thought may give you strength and courage in your sorrow.

My deepest sympathy is extended to you in your bereavement.

Sincerely yours,
