

Membership

Make it YOUR museum.

Dickinson Museum Center is growing. We want you to be part of our expansion.

Family Fun

With a family membership, you and your family can visit as often as you like. Why not bring the kids along, tour your favorite exhibits, then take a well-deserved rest while they have fun learning in the children's area, or playing with the augmented reality sandbox.

Good for business

Is your business looking for an interesting place to take clients from out-of-town? Our bright, intriguing exhibits are great for starting conversations. Why not take out a business membership, and bring a client along for an ice-breaker? The museum also provides a unique setting for larger meetings or an evening event.

Help us grow

We are constantly working to make our exhibits bigger and brighter. There are always new dinosaurs that need digging up, and then cleaning in our lab. Our research group is growing in importance. Your support helps us build the museum into a real asset for Dickinson; a center for science and history that can be enjoyed by the local community and attract tourism to the area.
